Not included in the costs:

- The standunits and market stalls come *without electricity*. Additional stand equipment such as electricity can be ordered in the webshop. Further information will follow after registration.
- For corner stands (standunits and floorspace without a standunit with a rear wall and 1 side wall) and market stalls located on a corner an additional 10% is charged.
- For a header stand (standunits and for floorspace without a standunit with only a rear wall and no side walls) an additional 15% is charged.
- For island stands (standunits and floorspace without a standunit which are open on all 4 sides) an additional 25% is charged.

Included in the costs:

- All exhibitors receive 1 leadscan from the organisation.
- The standunits (market stalls excluded) are including:
 - white walls
 - fascia
 - carpeting (colour: grey)
 - spotlights (amount of spotlights is equal to the amount of width meters of the stand and are applied to the fascia)
 - 2 chairs and 1 table (*please note: to be ordered via the webshop in due course*)
- [Click here for the stand construction specifications.](#)
- There is a limited amount of market stalls available. The size of the table in the market stall is ± 1,80 x 1 meter and the canopy ± 2,50 x 2 meters. Per organisation/company a maximum of 1 market stall can be hired. The stalls are included with: 2 adjustable spotlights, carpeting, 1 chair, sign with company name displayed on the canopy and a black table skirt.
- The price of *the floorspace without standunit* has carpeting *included* but all the other stand equipment/facilities are *excluded*. A professional stand on this floorspace is required. The minimum purchase is 15 m². The size (width x depth) has to be confirmed by the exhibition team.
- The above prices will be granted a 2% discount when registering **before 1 May 2026**.
